

How you can help

Recycled Brochures

EIFF brochures are printed on recycled paper, printed by carbon balanced printing company GMP.

Please help us by recycling your copy of the Filmhouse brochure when you are finished with it or by passing it on to a friend to read.

Use our recycling facilities

We have a number of recycling facilities placed around Filmhouse, with bins for paper, plastic, cans and bio-degradable materials (including our Filmhouse coffee cups!). You can help support our efforts in making Edinburgh a greener city by using the appropriate bin for your rubbish when visiting.

Our staff are happy to help if you have any questions or need any help at all.

Travelling to Filmhouse

We encourage those visiting Filmhouse to think green when travelling and, where possible, choose the most environmentally friendly method of travel. To help we have some information on the greener ways of travelling in Edinburgh.

Walking: Walkit Edinburgh

(<https://walkit.com/cities/edinburgh/>) is an online resource for planning your journey around Edinburgh and displays the route, time it will take you and the CO2 you will save.

Cycling: Cycle Streets is a UK wide cycling website that helps plan your journey see the CO2 you have saved by choosing to cycle
